

File Approval Process

What to expect when your file is approved by Chisasibi Business Service Center Inc.

CBSC Inc. assists and offers help to the following steps:

1. Business Plan

1. Business Plans help determine the cost of the project, the cost of client's financial contribution and/or how much funding the CBSC Inc., Cree Nation Government, Eeyou Economic Group and CREECO contributes
2. When business plan is being made, a client works closely with assigned consultant for their file until completion of their business plan

2. Funding applications

1. Some funding application require Council Resolution.
2. In order to obtain a Council Resolution, CBSC Inc. submits a briefing sheet of client's project to Chief and Council, Chief and Council then sends then Council Resolution directly to client if approved

3. Upon approval for funding agencies, they will need the following items:

1. Local Business Permit/License to operate (Can register with Cree Nation of Chisasibi, Economic Development Department)
2. Business Bank Account
3. Partnership Agreement
4. NEQ (Quebec Enterprise Number)
5. A place of location/Lot (approved by council resolution)

If you have all of the above and do not require any more assistance, you only need:

4. Support letter by CBSC Inc. and Council Resolution by Cree Nation of Chisasibi

1. A support letter by CBSC Inc. ensures your business project is in accordance with the Business Permit by-law imposed by Cree Nation of Chisasibi
2. Council Resolution: (refer to 2.2)
5. Register with **NEQ** (Quebec Enterprise Number)
6. Local **Business Permit** (refer to 3.1)

After all steps are acquired, Congratulations, you are now a Chisasibi business owner!
